2. **Teradata VUG: Data Scientist - Sessionize & nPath – what's the point?**
3. **Teradata VUG: DBA - TASM New Features in TD17.10 & TD17.20**
4. **Teradata VUG: Teradata Toolkit - Teradata QueryGrid: Querying data across the entire enterprise ecosystem**

If you have missed our previous VUG session, access recordings [here](#). You can access July 2023 recordings below.

1. **Teradata VUG: Data Engineer - Build driverless apps with Query Service and Vantage**
2. **Teradata VUG: DBA - Centrally manage Your Teradata instances with Viewpoint portlets & alerts**
3. **Teradata VUG: Teradata Toolkit - VantageCloud Enterprise Console: The smart & self-service way to manage your data & analytics**

For more information reach out to [customer.education@teradata.com](mailto:customer.education@teradata.com).

## VantageCloud Lake Associate Certification Exam VS Vantage Associate 2.3 Certification

What are the differences between our NEW VantageCloud Lake Associate and Vantage Associate 2.3 exams?

**The VantageCloud Lake Associate Exam** will certify that the successful candidate has knowledge of the core concepts of VantageCloud Lake. The candidate understands general concepts, data architectures, VantageCloud Lake Architecture and Components, Data Distribution and Access, security and privacy, and Teradata Tools and Access.

For more details regarding specific exam objectives on VantageCloud Lake Associate, [download this PDF](#). A free web-based training is available [here](#).

**The Associate 2.3 Exam** will certify that the successful candidate has knowledge of the core concepts of Vantage 2.3 and the Advanced SQL Engine. The candidate understands relational database concepts, the major components, core features and functionality, security and privacy, and Teradata data distribution and data access methods — including a basic understanding of Teradata Tools and Utilities.

For more details regarding specific exam objectives on Vantage Associate 2.3, [download this PDF](#). There are 2 free web-based training materials:

- **Introduction to Teradata Vantage 2.3**
- **Teradata Advanced SQL Engine 17.10**

For any questions and/or support, please do not hesitate to reach out to [certification.teradata@teradata.com](mailto:certification.teradata@teradata.com).

POSSIBLE GLOBAL EVENT SERIES
